THE ACADEMY BUILDING

It has been the custom from time to time to picture on the cover of the Town Report buildings of significance in the life of the town. This year we are proud to show the original Colby Academy building which was restored and renovated in 1960 by Colby Junior College.

This building stands as one of the few local landmarks to commemorate the early educational aspirations of New London. They date back to the first town meeting in 1779 when less than 20 families resided here; yet the thirteen qualified voters cast their votes to hire three months schooling. In 1837 there was another convergence of interests to expand educational opportunities for our own children and those throughout New Hampshire. That year the Legislature granted a charter to eleven New London citizens who became the incorporators of New London Academy. A public subscription for an academy building was opened, and the people of New London responded promptly and generously.

As far as it is known, the building originally contained classrooms, a chapel and a library. The school operated under the names of New London Academy, New London Literary and Scientific Institution, New London Institution, Colby Academy and since 1928, Colby Junior College. The building was used for instructional purposes until 1870, when the school moved to a much larger and more elaborate building on top of New London Hill. In 1892 the "new" building burned, and the old building was brought back into service until 1912, when Colgate Hall was erected on the site of the burned building. During the early 1920's the Academy building was converted into four apartments.

In 1960 the structure was in serious need of extensive repairs. The trustees of the college voted to preserve this modest academy building. The exterior is a faithful restoration of the building as it was in the beginning. The interior has two large rooms on the first floor for meetings and to house memorabilia. The second floor contains a living room and three spacious bedrooms with baths, to be used by guests of the college. The upstairs furnishings are from the Burpee Homestead. They were purchased from the heirs and given by Mrs. Mather Cleveland in memory of the Burpee family and Mrs. Susan C. Colgate, Mrs. Cleveland's grandmother, who was the first principal of New London Academy.

SELECTMEN'S REPORT

All property, both real and personal, that is taxable, is assessed as of April 1st of each year. There are a few exceptions to this, but nothing pertinent to the figures which we will give below that we thought would be interesting to you.

The assessed valuation of all property taxable in the Town of New London on April 1, 1960, was \$3,809,656. This is \$163,956 more than the amount taxable in 1959; and shows one of the largest gains from normal building in many years. It also reflects increases, and decreases, in valuations that the Selectmen find necessary to make as a result of reviewing certain pieces of property. Sections of the town, and isolated other properties that come to our attention, are reviewed each year, with the thought that barring a complete revaluation of the town by outside assessors, this is the most satisfactory method of keeping our assessments as fair as possible.

This increase of \$163,956. is broken down as follows:

Resident, or year-round property	\$63,300.
Non-resident, or summer property	100,656.

The break-down of our total assessment, which determines the percentage of our total tax bill paid by various groups, is interesting to note, and shows the following:

51 %	Resident
33½ %	Non-resident
11 %	Colby College
4½ %	Public Service Co. of New Hampshire

A very approximate preliminary estimate of the increase as of April 1961, based on the building permits issued, indicates that this year's gain will not be as high, but still shows a good growth. Unfortunately, the gains never produce enough added revenue to make up the increases in the appropriations requested each year. We do not want to reduce essential services, but do feel that a word of caution is called for at this time.

BUILDING PERMITS were issued to a total of 59, and one request for a permit was denied. The permits were for:

- 13 year-round dwellings
- 6 summer cottages
- 24 additions and alterations to residential property
- 6 additions and alterations to commercial property
- 1 replacement of building destroyed
- 3 use of land and/or existing building
- 2 signs
- 1 denied

OUR HIGHWAY DEPARTMENT, which is our second most costly part of operating the town, presents the problem of constantly increasing work through expansion of town roads, the need for more thorough snow removal and plowing, as traffic, both vehicle and pedestrian, increases; the need for plowing more roadways leading to summer homes, both for the convenience of owners, and to permit further construction and alterations. Three men are employed full time, with seasonal workers, both for snow removal and for summer construction. Seamans Road is scheduled to be completed this coming summer, along with other shorter stretches of roads with T.R.A. money. For 1961, the State will contribute \$4551.07 for Town Road Aid, if the town will raise and appropriate \$682.66 for this purpose. An article appears in the warrant petitioning the town to hard-surface Lake Shore Road (the far side of Pleasant Lake). The petition was signed by 37 property owners in that area, and the road is admittedly both narrow and dangerous in places, and dusty and rough in the summer. The Road Agent and Selectmen feel that this work should be undertaken with our annual Special Appropriation of \$5000. for road surfacing, if granted this year, rather than through an additional appropriation. The work on the parking lot, and the sidewalk and curb from the Town Hall to the New London Inn were more costly than anticipated, largely due to unforeseen construction problems, but we feel were worthwhile projects. We plan to start sidewalk and curb improvement in the business section of Elkins this year.

MUNICIPAL COURT, Judge J. Duane Squires presiding, reports:

“To the Town of New London:

“In 1960 the New London Municipal Court handled 86 cases. These were divided as follows: Criminal cases, 76; Small Claims cases, 10.

“The total amount of fines collected and paid to the Town of New London was \$597. Small claims fees due the Town were \$2.50. It may be of interest to the citizens to know that the allotment of fines assessed for Motor Vehicle violations, for Fish and Game violations, and for Public Utility Commission violations is as follows: the Town gets the first \$5.00 and 10% of the remainder of the total fine imposed. Thus, on a \$25 traffic fine, New London would retain \$7, and the State Motor Vehicle Department would receive \$18.

“The Court again desires to thank the Selectmen for providing a dignified and adequate place in which to hold Court sessions. The Court also desires to commend the Police Department for its care and courtesy in handling problems of law violations.

J. DUANE SQUIRES,
Municipal Judge

1 January 1961”

OUR POLICE DEPARTMENT, Tyler Grace, Chief, reports the following for 1960:

Offenses	In Court Warnings	
Speeding	32	47
Reckless operation	9	
Driving while intoxicated	3	
Uninspected cars	10	
Unregistered cars	8	
Improper equipment, cars	4	
Improper equipment, trailers	3	

Stop-sign violations	3	15
Yellow line violations	7	
Parking violations	5	19
Minor accidents	18	
Juveniles possessing liquor	5	
Violation of Town Dump regulations	3	

Non-court cases include three breaking and entering, four theft of gasoline, and three patients transported to the State Hospital. This work, along with the regular patrol of the streets and closed homes, accounted for 14,200 miles of travel. Chief Grace has been on duty seven days a week for several years, using his own car in the performance of his work. Summer traffic has increased to the point where we feel that an additional officer should be on duty, at least part time, in the business section of town, and to allow the Chief some days off. The budget request for 1961, therefore, has been raised to cover this anticipated extra cost.

WHIPPLE MEMORIAL HALL enjoyed some unanticipated attention in 1960, for which all of us should be pleased. A special committee of the New London Garden Club, headed by Mrs. Reynold S. Styles, chose this building as one to enter in a Civic Beautification contest sponsored jointly by Sears-Roebuck and the State Federation of Garden Clubs. Plans developed by the committee for the planting of new shrubbery, on a "before and after" basis, were awarded one of five prizes of \$100. each in a Statewide competition. The balance of the cost, approximately \$150., was contributed by the Garden Club, along with labor donated by the Men's Division. Let us hope that this will be the start of further beautification of some of our other Town buildings and small park areas. The slate roof of the Town Hall was completely checked over, all broken or missing slates replaced. With increased use by the Civil Defense unit, the Boy Scouts, Municipal Court, the Selectmen, the Planning and Zoning Boards, along with the rummage sale and other periodic events, it is gratifying to see this beautiful building more fully utilized.

Have you noticed our TOWN CLOCK recently? This handsome clock has served the town since 1884 from its lofty perch in the tower of the Baptist Church. Last year it received some long overdue attention, and we were very fortunate in having a skilled craftsman here in town to do the necessary work. The three dials, each measuring seven and one-half feet across, were removed and delivered to the workshop of Mr. John H. Edmunds to be refurbished. Mr. Edmunds repaired any loose or missing numerals, painted the dials with a black "smalt", a finish especially suited for this use, then applied real old-fashioned gold-leaf to the hands and numerals. The art of applying gold-leaf properly is fast becoming extinct, unfortunately, as none of the new substitutes have the depth of color, or the lasting qualities of the real gold leaf. It is especially interesting that Mr. Edmunds did this work for us at the age of ninety years, and commented that his records indicated that he had done a similar job to the Town Clock just forty years ago. We extend our sincere thanks to Mr. Edmunds for his willingness to undertake this work for us, and our admiration for his ability. This clock is run by two sets of weights, one for the time, and one for the striking mechanism. It must be wound by hand, and Mr. Will Ray has climbed the tower for over fifteen years, to wind the clock, as one of his many duties as Custodian of the Town Hall and other town-owned properties.

CIVIL DEFENSE in New London has become an active unit of our local government, during the last year and a half under the leadership of:

Watson B. Johnston, Director
Clarence W. Gay, Deputy Director
Ralph E. Marshall, Asst. Director
Phillip F. Dow, Asst. Director

These men have met each week for the past eighteen months, mostly in their office at the Town Hall, where they have assembled a wealth of information from State Civil Defense headquarters. An organization has been established with plans covering all phases of necessary services for the community, should it ever be threatened with military attack or natural

disaster. A large number of our townspeople have accepted assignments to the many duties of transportation, food supply, medical aid, communication, police duty and the numerous other requirements of maintaining order in time of emergency. This is in keeping with the Federal Civil Defense Act of 1950, which charges State and local government with the responsibility of providing adequate equipment and maintaining effective civil defense forces. Our Civil Defense Staff feels that they are now at the point where a substantial increase should be made in this year's appropriation to enable them to purchase the equipment needed to make our unit functional, and to carry out the plans they have worked out, should the need arise.

THE FIRE DEPARTMENT, with Merle C. Gay, Chief, reports for 1960:

- 1 — House fire (Camp Kearsarge)
- 4 — Chimney fires
- 3 — Brush fires
- 2 — Car fires

This was a very good year, with the only serious loss being the complete destruction of the main dining hall at Camp Kearsarge, resulting from lightning. Taking place in the middle of the night, the building was so far gone when the fire department was called, that nothing could be done to save the dining hall, but the men were successful in preventing the spread of fire to other buildings or to woodland.

Chief Merle Gay, a member of the Department for 34 years, and Chief for the last 12 years, is retiring from active duty in March. We owe him a vote of thanks for his conscientious services in helping build our fire department into the effective organization it is today, and for his daily inspection of the trucks and equipment to make sure they are ready to roll at any time.

Meetings are held once a month, with eight additional practice meetings a year. Officers of the Fire Department were:

Captain — Laurence Spaulding	2nd Lt. — Harry J. Barrett
1st Lt. — Edward Todd	Clerk — Kenneth Butler

Reports from the PLANNING BOARD and the ZONING BOARD OF ADJUSTMENT appear elsewhere in this Town Report. The Selectmen wish to express sincere thanks, however, to Mr. James Shepard, who retired from the Planning Board upon completion of his term in 1960, for his many years of helpful work. Likewise to Mr. Wesley Woodward, one of the original appointees to our Zoning Board, who completes his term in March 1961, after being Chairman of that board for the last year. Members of these boards serve without pay, in what appears, at times, to be a thankless, but necessary job in a growing community like ours.

The Board of Selectmen lost a very devoted and faithful member when Mr. Ervin P. Edmunds found it necessary to resign his position on December 31, 1960. Mr. Edmunds has served for fourteen years consecutively. During this period he gave most generously of his time to the ever increasing demands of office, as the town grew, and more records became necessary. He was a patient teacher of new members coming on the Board, and the many methods of operation that he personally set up will continue to be of help to future board members, and be continuing evidence of his interest in the welfare of New London. The remaining members of the board felt fortunate in having Mr. Forrest W. Sampson accept an appointment to this vacancy. Mr. Sampson, in his capacity as Town Treasurer, has attended selectmen's meetings for the last four years and has, through association, become familiar with the procedure of office. In order to accept this appointment, it was necessary for Mr. Sampson to vacate the office of Treasurer, and here again, the Selectmen felt quite fortunate in finding a man well qualified and willing to accept the post, Mr. Fred H. Tibbetts.

Meetings of the Board of Selectmen have been changed to every Monday night at 8:00 in the Selectmen's Office. Anyone wishing to get information about town affairs, apply for a building permit, offer a suggestion, or even complain, is always welcome.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of New London in the County
of Merrimack in said State, qualified to vote in Town Affairs:
[L. S.]

You are hereby notified to meet at Whipple Memorial Hall
in said New London on Tuesday, the fourteenth day of March,
next at ten of the clock in the forenoon, to act upon the follow-
ing subjects:

1. To choose all necessary Town Officers for the year
ensuing.

2. To raise such sums of money as may be necessary to
defray town charges for the ensuing year and make appropria-
tions of the same.

3. To see if the Town will vote to raise and appropriate
the sum of \$17,300.00 to defray town charges for the ensuing
year. This sum includes:

Town Officers' salaries	\$4,700.00
Town Officers' expenses	2,600.00
Election and Registration	250.00
Municipal Court	250.00
Expenses of Town Hall and Other Buildings	2,000.00
Health Officer (salary and expense)	150.00
Vital Statistics	150.00
Town Welfare	800.00
Old Age Assistance	1,700.00
General Expense Highway Department	1,700.00
Town Dump Maintenance	1,200.00
Parks and Playgrounds	50.00
Interest	1,000.00
Social Security	750.00

4. To see if the Town will vote to raise and appropriate the sum of \$250.00 to increase the salary of the Municipal Court Judge. This salary not to exceed \$400.00 for the Judge and \$100.00 for an Associate Judge.

5. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for Police Department maintenance for the ensuing year.

6. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for Fire Department maintenance for the ensuing year.

7. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the support of the New London Hospital for the ensuing year. This amount to include \$300.00 for Town Welfare cases.

8. To see if the Town will vote to raise and appropriate the sum of \$2,027.77 as the Town share of sewer maintenance for the ensuing year.

9. To see if the Town will vote to raise and appropriate the sum of \$850.00 for cemetery purposes for the ensuing year.

10. To see if the Town will vote to raise and appropriate the sum of \$400.00 for maintenance of the Information Booth for the ensuing year.

11. To see if the Town will vote to raise and appropriate the sum of \$400.00 for publicizing and advertising the Lake Sunapee Area, the same to be turned over to the Lake Sunapee Board of Trade for this purpose.

12. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other Towns in the Dartmouth-Lake Sunapee Region.

13. To see if the Town will vote to raise and appropriate the sum of \$800.00 for the purpose of defraying expenses for

hiring a Band to play a series of concerts during the months of July and August.

(This article was presented on petition)

14. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the observance of Memorial Day for the ensuing year.

15. To see if the Town will vote to raise and appropriate the sum of \$4,700.00 for the Tracy Memorial Library for the ensuing year.

16. To see if the Town will vote to raise and appropriate the sum of \$550.00 for the purpose of painting the exterior of the Tracy Memorial Library.

17. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for Hydrant service for the ensuing year.

18. To see if the Town will vote to raise and appropriate the sum of \$4,100.00 for the maintenance of street lighting for the ensuing year.

19. To see if the Town will vote to raise and appropriate the sum of \$152.64 for maintenance of six street lights on Bunker Road. These lights to be placed after consideration by the Board of Selectmen.

(This article was presented on petition)

20. To see if the Town will vote to amend the zoning map of the Town by extending the Residential District to a depth of 590 feet on the southerly side of Barrett Road from South Pleasant Street westerly 550 feet.

21. To see if the Town will vote to authorize the Selectmen to become members of the Lake Sunapee Regional Planning Authority, if said Authority, which will have advisory powers only, is approved by the Legislature.

22. To see if the Town will vote to raise and appropriate the sum of \$17,100.00 for summer maintenance and \$7,840.00

for winter maintenance of highways, bridges and sidewalks for the ensuing year.

23. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to add to the Highway Department Equipment Fund. This Fund to be used in 1961 to purchase a truck and snow plow.

24. To see if the Town will vote to raise and appropriate the sum of \$682.66 for Town Road Aid. The State to contribute \$4,551.07.

25. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the improvement and construction of sidewalks and curbs for the ensuing year.

26. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to resurface the Town-maintained portion of Main Street. This work to be done by the State at such time as the State resurfaces the State-maintained portion of the street.

27. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 in excess of maintenance funds for the improvement, rebuilding and resurfacing with bituminous mix of Town roads to be designated by the Selectmen in conjunction with the Town Road Agent.

28. To see if the Town will vote to hard-surface the entire length of Lakeshore Road.

(This article was presented on petition)

29. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to widen the road from Route 11 to Gerald Moulton's corner on the Elkins to Wilmot Center Road.

(This article was presented on petition)

30. To see if the Town will vote to raise and appropriate the sum of \$2,277.00 to maintain and equip Civil Defense for the ensuing year.

31. To see if the Town will vote to raise and appropriate the sum of \$1,150.00 for the care of shade trees for the ensuing year. This sum to include \$150.00 for the purpose of control and eradication of Pine Blister Rust for the ensuing year.

32. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes for the ensuing year.

Polls close at 6:00 P.M.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and sixty-one.

ARTHUR L. PRESCOTT,
FORREST W. SAMPSON,
RICHARD W. CHATELLIER,
Selectmen of New London, N. H.

A true copy of Warrant — Attest:

ARTHUR L. PRESCOTT,
FORREST W. SAMPSON,
RICHARD W. CHATELLIER,
Selectmen of New London, N. H.

REPORT OF THE BUDGET COMMITTEE

To the Voters of New London:

In accordance with the Municipal Budget Laws of New Hampshire, the New London Budget Committee has prepared the town and school budgets for the current year, which are herewith submitted to you in this report.

The committee held two public meetings and two closed meetings to discuss the proposed articles in the budgets.

All items for both the School and the Town budgets were approved as submitted.

Respectfully submitted,

ROBERT G. SAWYER,

1961 Budget Committee Chairman

BUDGET OF THE TOWN OF NEW LONDON, N. H.

Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1961, to December 31, 1961, Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1960, to December 31, 1960.

AUDITOR'S REPORT

I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Treasurer and Trustees of the Trust Funds; have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the town business for the year ending December 31, 1960.

WAYNE K. WHEELER,
Town Auditor

New London, N. H., February 22, 1961

NOTES TO 1960 REPORT: There are 220 Cemetery Trust accounts for the care of Cemetery lots, each in a separate Savings Bank book. The principal in these Savings accounts totals \$20,030.32 and the unspent earnings of \$4,058.57 together total \$24,088.89 in the Cemetery Trust Funds.

The Tracy Memorial Library has the support of three Trust Funds, i.e. the Jane A. Tracy Fund, the Brown Fund and the Jelly Fund. The Tracy Fund was created ten years ago, with a principal of \$100,000.00 and this principal has increased, today, to \$101,486.14 due to the accumulation of uninvested cash capital gains, which constitute a return of capital and NOT income. Incidentally the original \$100,000.00 Tracy endowment had a market value December 31, 1960, of \$149,016.75 and this in a poor market! All Cash Capital Gains, from Tracy Investments, were deposited in the Newport Savings Bank as Uninvested Tracy Trust Funds, and the interest earned there, was turned over to the Library, as income. Similarly, all Cash Capital Gains of the Brown Trust Fund were deposited in the Uninvested Brown Fund savings account and their interest earned was also turned over to the Library, as income. The only new investments made in the past year, were for the purchase of Rights to round out a single share in Texaco and First National Bank of St. Louis for a total of \$142.87. The total earnings from the three Library Trust Funds, which were turned over to the Library during the past year, as income, were \$5,598.04, which was a return of 5.44% on the total Library investments of \$102,747.79 which was better than last year. Incidentally, the Library income from these sources has increased each year during the past ten years.

There are three miscellaneous Trust Funds each earning 4%. All of the income from the Ministerial Fund was turned over to the First Baptist Church, as has been the custom in recent years. The Heideberg Prize Speaking Fund has a balance of unspent earnings of \$32.77 which is available for the 1961 Prize money. Finally, there is the School District Fund earning 4% with no expenditures.

This is to certify that the information contained in this report is complete and correct to the best of our knowledge and belief.

PREVENTION IS *YOUR* BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in or near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars or cigarettes or from moving vehicles — make sure they are out — use your ash tray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	0
Number of acres burned	0
Number of permits issued	19

GERALD S. GROSS,	MERLE GAY,
District Fire Chief	Forest Fire Warden

NEW LONDON PLANNING BOARD REPORT

During the last year the Planning Board has held several meetings to discuss various residential areas being developed. Recommendations have been made and general area layout plans approved. In making recommendations and approving plans the Planning Board has tried to anticipate the possible development of property surrounding any proposed residential area and to provide for the orderly and planned extension of roads and utilities to serve this future development.

At this time the Planning Board is recommending that the Zoning Map of the Town be amended by enlarging the Residential District on the Southerly side of Barrett Road. An article to amend the Zoning Map appears in the 1961 Warrant for your consideration.

Respectfully submitted,

ARTHUR S. LITTLE JR.

Chairman

MARY C. BARRETT,

Secretary

REPORT OF THE ZONING BOARD OF ADJUSTMENT

Two cases were presented to the Zoning Board in 1960. One, the request of A. S. Little and Son, to re-locate their gasoline service station on the opposite side of Main Street from its present location, was approved.

The second request was for permission to erect a building to be used for commercial purposes in the rural-agricultural zone. The proposed site, approximately 1500 feet beyond the boundary of the established commercial zone, would have meant the extension of the business zone. Since the established zone boundaries can only be altered by vote of a Town Meeting, it was necessary for the Board to deny this request.

Respectfully submitted,

MARY C. BARRETT,

Secretary.

NEW LONDON SERVICE ORGANIZATION, INC.

1960 ANNUAL REPORT

Military books given to Tracy Memorial Library for the Veterans Book Shelf were, "Destroyers and Destroyermen", "The Longest Day, June 6, 1944", "Battle, The Story of The Bulge", and "Greatest Raid of All".

A senior girl from New London High School was sent to "Girls' State" in Durham, a training school in United States Government. Incidentally, we received an "Award of Merit" from the State Legion Auxiliary for our continued support in Girls' State.

Six green benches were repaired and repainted and placed around New London for use of townspeople and summer visitors. We were also presented with one new bench by a summer resident, making a total of seven now available.

Flowers were sent to New London's Gold Star Mothers on Memorial Day, as in past years, and Christmas Greetings in December.

A boulder with a bronze plaque suitably inscribed, is to be placed this coming year at the entrance to the Veterans Athletic Field at the High School.

The usual \$100.00 was sent to the Finance Committee Fund, of the New London Hospital, for the use of needy patients.

Christmas Greetings, with a dollar bill enclosed, was sent to all New London boys and girls in the Service.

The usual gift of \$5.00 from the Kneeland Parshley Fund earnings was sent to the Elkins Church Sunday School, to be used for Christmas Gifts at the Annual Children's Christmas Tree Party.

There are five veterans loans still out, but during the past year only two of these made repayments. No new loans were made.

The Expense Trust received a gift of \$50.00 during the past year.

Recapitulation of Assets of All Trusts:

Veterans	\$1,869.50	
Charity	1,019.48	
Parshley	113.51

JOHN J. KIERNAN,
President
MRS. HELEN S. RAY
Secretary
HERBERT D. SWIFT
Treasurer

NEW LONDON OUTING CLUB

The Civic and Recreational Organization of New London

President: John M. Ohler, M.D.
Vice President: Edwin Keith
Secretary: Mrs. Henry Kidder, III
Treasurer: Chandler Perkins

Directors:

Three years: Richard Brady
Russell Dimmick
Mrs. Donald Muller
Two Years: Gordon Keeler
Mrs. Arthur Prescott
Reynold Styles
One Year: Mrs. Donald Bent
Mrs. Arthur Little
Robert Sawyer
Lifetime: William Clough, Jr.

During 1960 the Outing Club has sponsored:

4-H Club
Girl Scouts

Free swimming lessons and maintenance of the beach and equipment at Little Lake Sunapee in conjunction with the Red Cross

Tennis clinic

Little League baseball team

Free dancing lessons 5th-8th graders

John Jay ski movie

Warren Miller ski movie in conjunction with Mt. Sunapee Area Ski Club

Spring and summer dances

Thanksgiving Basket

Free skiing lessons for children

Maintenance of information booth with help of Town, and bulletin board at Post Office

These activities were all made financially possible by the Outing Club's operation of the New London Slopes and its food concession. Through the efforts of the Outing Club, a committee was appointed to look into the development of the new ski area on King Hill. A corporation was formed, and the Outing Club has become one of the major stock holders. The new area will begin operation next winter.

Henceforth the New London Outing Club will depend solely upon membership dues and activity ticket sales for its financial support.

POLLY H. KIDDER,
Secretary

NEW LONDON OUTING CLUB

REPORT OF THE INFORMATION BOOTH

Summer of 1960

The New London Information Booth opened July 2 and closed August 27 after a most successful season. During the hours of 9 to 5 1,471 cars, 1 house trailer, 52 telephone calls, 3 bicycles, and a motor bike called at the booth for information on a wide variety of subjects. The total number of people helped at the booth was 4,432. There were twenty-six states and the District of Columbia represented, also four foreign countries, New Brunswick, Quebec, Australia and the Virgin Islands. The most distant states were Alaska, California and Texas.

The requests for information covered a wide variety of subjects, most questions were of course, for area information including something to do, interesting places to see and good living accommodations, preferably on the lake. Many telephone calls were made to cabin, motel and hotel owners and suitable quarters within a reasonable distance were usually found.

Practically every question was answered to everyone's satisfaction. It was gratifying when several people made a point of returning to the booth to say "thank you" for finding a desirable place for them to stay. Many people were amazed at the number and variety of booklets available to the public and the wealth of information to be found in them.

Thanks are given to the Selectmen for the opportunity of serving in the Information Booth this summer.

Respectfully submitted,

EVELYN MESSER
JOY BARTON

TRACY MEMORIAL LIBRARY

ANNUAL REPORT

A review of the work of the library is now in order: the year's statistics, the achievements, the programs, and the popularity of the building as a community center.

The following record shows the circulation of books and magazines for the past year:

Adult fiction	5138
Adult non-fiction	3008
Adult magazines	1079
Juvenile fiction	8051
Juvenile non-fiction	1622
Juvenile magazines	127

total 19,025

This record shows a decided increase over last year, which pleases the Board and staff. There have been 12,332 visitors to the library in 1960.

We have answered all requests for loans from the State Library and neighboring ones, and on alternate months the Bookmobile, from the Extension Division of the State Library, has called, leaving 849 books to supplement our own stock. These are used especially in the Children's Room.

During the last year, the library has purchased 175 adult books and 161 juvenile books, and our many friends have generously given 41 adult and 31 juvenile books to the library. Since the price of books has nearly tripled in the last ten years, it has become necessary to limit our purchases and to use careful screening in our choices of new books.

Our magazine table in the reading room is supplied with 45 current magazines, three daily and one weekly newspapers. Three new magazines have been added this fall, "Hot Rod", an automotive magazine, "American Mercury" and "Cosmopolitan". Frequent lists of new additions of books are sent to the local newspaper by the librarian.

There has been an unusually large call for special reading material to be sent to the following schools: Colby Junior College, 15 books; Alphonse Soucy (remedial reading classes), 63; practice teacher, 25; Wilmot Schools, 214; Kindergartens, 14; New London Central School, 317, and for summer tutors, 13.

The picture file remains popular with the teachers and students, with 318 pictures loaned for use in their school rooms.

Since the Tracy Memorial Library acts in part as the New London Central School Library, our reference work increases with the school attendance, thus 538 requests for special material have been answered with books, magazine articles, and pamphlets, mostly for use in themes and social studies. The summer camps have also called on the library for special help in their projects and summer programs.

The library has received the following books as gifts for the military book shelves from the New London Service Organization: "Destroyers and Destroyermen" by Yates, "The Longest Day, June 6, 1944" by Ryan, "Battle, the Story of the Bulge" by Toland, and "Greatest Raid of All" by Phillips. These books continue to be very popular with our veterans and teen-aged boys.

We have added to our borrower's files the names of 153 adults and 76 juveniles. Many of our new juvenile borrowers are tuition pupils at the High School.

The committee room is used by various organizations, averaging three each week, and the auditorium for special displays, including National Book Week and National Library Week.

Our new magazine files in the basement have proved a joy and a great convenience to the staff. The steel racks were assembled by Mr. Braley, and the partition and door added by Mr. Jesse Holt, making a most suitable place to store our magazines.

Mr. Rice, the teacher of the seventh grade at the Central School, brought his class to the library for instruction in the use of the library catalogue and in reference books, including

encyclopedias, dictionaries, the reader's guide to periodicals, by the head librarian, Mrs. Ray. The class received one and one-half hours of instruction in these subjects.

In March, a 4-H display in observance of National 4-H Week was held, with exhibitions of the club's charter, leaflets and winning ribbons.

National Library Week was observed from April 4-9, with over 200 people enjoying the displays of first page exhibits of N. Y. Times from 1851-1945.

Open House was held on Wednesday when there were two showings of the film "Democracy Speaks", the story of the making of a newspaper. Mrs. Herbert Swift loaned her collection of World War II posters, and a display of new and old children's books was attractive to many persons. Ten favorite books of the High School students were chosen by vote, and an old land grant, belonging to his grandfather and signed by Ulysses Grant, was loaned by Lewis Simonds. Sixteen displays of interesting and timely books were placed in various places of business in New London for the week. The librarian, at the opening of Library Week, spoke to the children of the Wilmot Schools and their parents on the importance of reading good books. She also took a collection of books to discuss with the older group and told stories to the younger children. The Board and Staff are most grateful to the committee, headed by Mr. Vincent Wickham, for all their hard work to make the week a success.

Both librarians have attended state meetings in Winchester, Newport and Sunapee. At Winchester, Mrs. Ray received an award, the book "Living Japan" for honorable mention in a contest for the best National Library Week activities.

In June, the New London 4-H Club held their achievement night in the auditorium. Guest speaker was Mr. Patwary, IFYE exchange student, from East Pakistan. The county club agents presented yearly awards to the club members and their leaders.

Two most interesting exhibits filled the auditorium space during July: the photographs of Mr. Walter Ensign, and the

Ford Motor Co. water colors, entitled "The Birds and the Beasts".

The Vacation Reading Club opened on July first with a total enrollment of 85 children. The theme was "Presidents of the United States", a timely subject for national election year. At the annual party, in August, with 60 children present, the New London Players entertained all with scenes from the play, "Wizard of Oz". Refreshments of cookies, punch and ice cream were served in the garden by the librarians.

The sixteenth annual exhibition of oil paintings by Mrs. Dorothy Dey Howard were featured at the library from August 22 through September 3. Her beautiful oils have brought much pleasure to visitors throughout the years.

Posters and book displays marked the observances of National Bible and Christian Education Weeks in October.

Over 425 adults and children visited the library during National Book Week November 14-19. A collection of rare old dolls, loaned by Mrs. Clarence Lull, and egg-shadow boxes, belonging to Miss Evelyn Boynton and Mrs. Stanley Goss, lent a most interesting note to the display of new adult and children's books. A puppet play, "Red Riding Hood", by the librarians, entertained the kindergarten and elementary school children. A sale of duplicate and used books in the basement netted \$35.00 towards the purchase of new books in the future.

Our Story Hours on Saturdays have proved a most popular place with pre-school children, and 694 youngsters have been instructed and entertained there by the librarians and their helpers. Several students from Colby Junior College began to assist us in the spring months. They were members of child psychology classes who were anxious to gain some experience working with small children. Their help was most gratefully received by the staff, and our thanks expressed to their teacher, Miss Spaulding, who inaugurated this practice last year.

Mr. Dwight Braley, our new janitor, has kept our building very neat and tidy, and our gardens have blossomed into new beauty under his careful and constant care.

During this Christmas season, an arch of colored lights over the library entrance guides all visitors to "better reading and better books".

HELEN S. RAY,
Librarian

NEW LONDON HOSPITAL ASSOCIATION

REPORT FOR 1960

September 30, 1960, ended the 42nd year of existence of the New London Hospital, and the second year in the new building.

There were many highlights of the year. Probably the most outstanding was the overwhelming success of the annual Hospital Day in August. The sum of \$16,298.61 was raised under the expert leadership of Frank Cricenti and Anthony Galluzzo.

We were very grateful to have Dr. Donald Clark join the Medical Staff in August. Medical Staff members now total thirteen.

Hospital facilities for patients were increased during the year by the development of a Physical Therapy Department. The Department is under the direction of Mrs. Beatrice Elliot of Franklin, a Registered Physical Therapist.

We are most grateful to everyone who worked and gave on Donation Day, to the Hospital Aid Association whose loyalty and support of the hospital is outstanding, to the Summer Residents Committee for their very generous gifts of equipment, and to the many individuals whose help and encouragement are so vital to the running of the hospital.

Appropriations were received from the towns actively served by the hospital as follows:

New London	\$5,000.00
Sutton	400.00
Newbury	400.00
Wilmot	300.00
Sunapee	300.00
Bradford	200.00
Springfield	200.00
Andover	150.00

The Board of Directors held a meeting regularly each month during the year. Following is the list of officers and directors who have served on the Board of Directors for 1960:

President, Harry B. Harris, Jr.
Vice President, Joseph Fleming
Treasurer, James Cave
Secretary, Lois E. Stinson

DIRECTORS

Term expiring December 31, 1960

Harold Currier
Mrs. Selden Rose, Wilmot
Eliot Foot, Bradford
Mrs. Wesley Woodward

Term expiring December 31, 1961

Amos Johnson, Andover

Dr. J. Duane Squires
Robert Whitman
Guy Williams

Term expiring December 31, 1962

Charles Hemenway
Roy A. Messer, Bradford
Henry Kidder II, Springfield

Hospital Aid Association — Mrs. Donald Sieburg

LOIS E. STINSON,
Secretary

HOSPITAL AID ASSOCIATION

ANNUAL REPORT

President, Mrs. Donald Sieberg
Vice President, Mrs. Robert Sawyer
Secretary, Mrs. Russell Dimmick
Treasurer, Mrs. Jack Cable

The New London Hospital Aid Association held nine monthly meetings from October 7, 1959 through June 1, 1960 with an attendance of 35 members. The meetings were kept active by the members doing sewing, art craft, knitting, and cancer dressings, a new project this year — 70 were made at each meeting.

The organization raised funds in many ways, such as: membership drive, rummage sale, donation day, and the renting of pillows at the New London Barn Playhouse.

Mrs. William P. Clough was able to provide the hospital with volunteer workers for the day and evening shift through the winter and summer. They have indeed been an asset to the hospital.

Respectfully submitted,

MARGARET DIMMICK,
Secretary

School Nurse	DELLA C. SPILLER

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of New London qualified to vote in District affairs:

You are hereby notified to meet at the Central School in said District on the ninth day of March, 1961, at 8 o'clock p.m. to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Article 7. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, and other state sources, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 8. To see if the District will vote to authorize an appropriation of \$493,000.00, or any other sum, to be raised by borrowing or otherwise, for the purpose of expanding the New London Central School plant by designing, acquiring land for, constructing and equipping additional buildings and/or additions to existing elementary and secondary school buildings.

Article 9. To authorize the School Board in the name of the District to enter into contracts, to sign necessary documents and instruments, and to do all other acts and things necessary and proper to carry out any action authorized under Article 8 above.

Article 10. To see if the District will vote to raise and appropriate \$42,255.00 to cover expenses of principal and interest payments and authorize the application against said appropriation of \$7,500.00 estimated to be received from state resources.

Article 11. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Article 12. To transact any other business that may legally come before the meeting.

Given under our hands at said New London this 16th day of February, 1961.

CLARENCE GAY
ANNA E. RICH
JUNE E. SPAULDING

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London of which the above is a true summary for the fiscal year ending June 30, 1960, and find them correct in all respects.

M. ROY LONDON,
Auditor

July 12, 1960

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

I submit herewith my thirteenth annual report as Superintendent of Schools.

The space needs of the New London Schools — at both the elementary and secondary levels — remain the same as set down in these reports over the last several years.

SCHOOL BUILDING PROPOSALS

Following the action authorized by the 1960 District Meeting, the combined School Board and School Building Committee prepared and presented an expansion program estimated to cost \$425,000.00 at a Special Meeting on October 20, 1960. This proposal included:

1. Adding 3 classrooms to the Elementary Building
2. A classroom addition and extensive remodeling of the present High School Building
3. A gymnasium-locker room addition

By action of the Budget Committee, the cost of this building program was limited to \$300,000.00. Following a lengthy discussion involving several areas for suggested further study, the proposal was substantially defeated.

Since October, 1960, the School Board has worked with a Building Committee composed of Carleton Barton, Priscilla Ohler, John Kiernan, Gerald Prescott, James Granger and Floyd Bailey. This Committee has worked diligently and earnestly to present a constructive building program aimed to cover the needs of the present and immediate future — as well as to provide for the possibilities of additional expansion in the future.

Basically, the proposal calls for changing the present high school building to elementary use. This building contains ample rooms to provide single grades (1-6) and also an adequate elementary activity area.

High school needs would be met by constructing substantial additions to the present 3-room and cafetorium Elementary Building to provide a new high school unit to take care of an enrollment of 300 (grades 7-12). The cost of this total building program is estimated at \$493,000.00. This sizeable amount of money would be paid off over a period of twenty years. Thirty percent of the bond payments would come from State funds under the School Building Aid Act. It is also probable that more State and Federal funds will become available; thereby reducing the direct cost of such a project to the taxpayers of New London.

You cannot afford to pass over a solution to your school building problems. Several years of study as to possible solutions have preceded this proposal. Basically, the present high school plant was never designed for the comprehensive curriculum now being offered. Classes in Art, classes in Physical Education, laboratory facilities for present-day Science instruction, an expanded Music program, adequate space for a School Library, a Language Laboratory, are some of the specialized areas which the present building was not designed to accommodate.

Further postponement and delay is likely to result in greater cost — both dollar-wise and quality-wise in your educational program.

DELLA C. SPILLER

Mrs. Della C. Spiller completes many years of successful service as School Nurse in June of this year. Her diligence and devotion to school health services has made the New London program a model for others to copy. Many individual students have profited by her extra work and assistance. Her service stands out as an outstanding example of a faithful public servant. Both the New London school and community are greatly indebted to her — and I am sure join me in wishing her the best in a well-earned retirement.

CONCLUSION

This is a year of decision for the voters of the New London

School District. You are called upon to act on building proposals that will set the school pattern for many years. Your considered judgment is needed on this vital issue.

Respectfully submitted,

GORDON B. FLINT,
Superintendent of Schools

REPORT OF HELPING TEACHER

In reporting a brief summary of services rendered to the New London Schools, I wish to express my sincere appreciation to all personnel for their continued cooperation toward the fulfillment of responsibilities in (1) guiding the educational growth and development of children; (2) meeting the needs of exceptional children; and (3) providing special resources and materials for the classroom.

TESTING AND GUIDING SERVICES —

- Achievement tests administered at all grade levels.
- Mental Ability testing — grades 1, 4 and 7 (and continued by U.N.H. guidance testing in High School).
- Administration of individual psychological test (Stanford-Binet) as requested for pupil guidance (over the past several years, 15 of these tests have been given).
- Clinical referrals made through contact with principal, teachers, and parents (Claremont Child Guidance Clinic).
- Meeting with interested parents (1st grade) to explain the nature and use of the 1st grade testing program. This could be expanded to include other grade levels, depending upon the growing interest of the community in this phase of the total school program).

AREA CONFERENCES AND WORKSHOPS —

- Participating in state-wide study in the improvement of supervisory practices (an extension at the 1960 summer

work conference of helping teachers, principals, special supervisors, consultants, and members of the State Department of Education).

- Participating in the special study of mathematics (grades 1-6) initiated in 1960 by the Association of Helping Teachers in cooperation with the State Department of Education and to be continued with the help of many interested leaders throughout the state at a writing work conference in April, 1961.
- Attending conferences in the field of reading (New England Reading Association); the intellectually retarded child (New Hampshire Council for Exceptional Children); and other areas as deemed necessary.

OTHER AREAS OF WORK —

- Classroom visits to note physical, emotional, and educational atmosphere and to offer help in instructional phase of the school program.
- Planning grade-level meetings (union-wide) as a means of discussing problems of common concern. This approach to staff cooperation can lead to improved practices in all major subject areas — particularly in mathematics — already receiving considerable attention throughout the state.
- Safety education: through interest and cooperation of the local police department and many professional and business establishments, “Child Safety Manuals” (prepared by National Child Safety Council) have been made available to all pupils (grades 1-6) as an aid to teaching safety education by teachers and parents. Bicycle safety materials will be distributed in the spring.
- Individual conferences with principal, teachers, and parents on matters requiring special attention (pupil adjustment, curriculum matters, special materials, etc.).

Respectfully submitted,

ALPHONSE J. SOUCY,
Helping Teacher

REPORT OF THE PRINCIPAL TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

I submit herewith my annual report as Principal of New London Central School.

My annual reports for the past few years have dealt with the necessary curriculum changes to meet the needs of our students. Now that the changes have been made or are in the process of being made, we find ourselves in a situation that can be remedied only by adding to and improving our present facilities.

At the present time some of the areas of learning are being taught under conditions that lend very little toward good teaching and good learning situations.

Since the needs of the school have been presented so well by the many people who have been studying the problem for the past few years, it does not seem necessary to repeat them again here.

I would like to point out, however, that until we have single grades in our elementary school we will have to accept the fact that the children in the grades are being cheated. It is impossible for the teachers to divide their time between two grades when there are so many in each grade, and do justice to the children in either grade in view of the amount of material that has to be presented in the elementary grades today. Unless the children do receive a good start in the elementary grades they are going to enter high school poorly equipped to meet the demands made on them in the comprehensive high school of today. Similarly, unless the young people in our high school are given the opportunity to learn, to explore and to experiment to their fullest extent, they are going to be handicapped when they leave here and enter the higher institutions of learning.

All this is becoming more of a fact every year and will not be remedied until some of the teaching areas are improved. This necessitates a building program that, on the surface, looks

like a luxury but in actuality is a must. The building program would be relatively simple if one area could be isolated from all the others and it could be said that the problem could be solved by taking care of that one area. Careful study has shown, however, that in order to be able to improve the overall situation improvement of the whole and not just a part is necessary. Otherwise, we would have only a stop-gap solution and it is doubtful if even the present standards of the school could be maintained much longer.

It is true that the school has received recognition from two sources this year that make all of us proud.

The high school received the Certificate of Merit from Colby Junior College, which is awarded annually in the fall to the secondary school represented at Colby by two or more students whose combined academic averages are the highest in the college for the preceding year. The combined average of the three girls involved, Judy Blanchette, Judith Pond and Sandra Sherburne, was the highest since the Certificate of Merit has been given.

The other recognition came from the Educational Planning Service of Colorado State College working under a grant from the Ford Foundation to study some of the outstanding small high schools in the United States. New London High School was recommended to them by the New Hampshire State Department of Education. From about 275 questionnaires sent out by the Educational Planning Service, 45 schools were chosen to visit from Maine to Hawaii and our school was one of two chosen in New England. Two of the research team visited the school in December and indicated they were well pleased with what was being done here, but they questioned how long it could be continued without addition to our present buildings. The final report will not be ready until later in the year.

These two honors do not necessarily mean that we should be satisfied with our present educational program and become stagnant in our thinking. Instead they are indicative of the need to continue to improve our program to maintain its standards of the present time, and we should be thinking of raising our standards rather than just maintaining them.

I have confidence in our teachers in their desire to do well under the present conditions, but I am even more confident that if they are given the opportunity to teach under the right conditions our young people will get a better education than they are getting now.

Very truly yours,

ROBERT J. LIVINGSTON,

Principal

REPORT OF SCHOOL NURSE

January, 1960 — January, 1961

- 235 School room contacts.
- 125 Home contacts.
- 220 Conferences, includes 25 students advised.
- 334 Heights and weights recorded, and inspections of heads, skin, teeth, and for vaccination.
- 140 Physical examinations by Drs. John Ohler & Donald Clark.
- 60 Physical defects recorded and referred to parents.
- 19 Influenza immunizations given to staff members by Dr. Ohler.
- 12 Examined at Eye Clinic by Dr. J. M. Clough.
- 4 Fitted to glasses by Elmer Robinson.
- 10 Referred to family physician and dentist.
- 15 Transported to Doctors' offices, dentist, hospital, and homes.
- 2 Arranged specialized dentistry, hospitalization and mouth care.
- 1 Arranged to attend Child Guidance Clinic.
- 205 Vision and hearing tests.
- 28 Vision defects recorded.
- 9 Hearing loss recorded.
- 107 Exclusions for communicable disease and other illnesses.
- 34 First-aid treatments.
- 79 Other treatments.

Speech and Hearing Seminar attended in Concord, May 19.

School nurse section of Teachers' Convention attended in Manchester, October 21.
